## Equipment

- Air Fryer

## Ingredients

- 2 6 oz chicken breasts boneless skinless
- 4 pieces bacon
- 1/3 tsp smoked paprika

- 1/3 tsp black pepper
- 1/3 tsp garlic powder

## Instructions

- Preheat the Air Fryer to 400 degrees F. Prepare the air fryer basket with nonstick cooking spray or olive oil spray.
- Add the seasonings to a small bowl and set it aside.
- Take the clean and dry chicken breasts and rub both sides evenly with the seasoning rub.
- Wrap each chicken breast with 2 pieces of bacon, trying to keep the ends of the bacon underneath the chicken breast.
- Place the bacon-wrapped chicken breasts into the bottom of the prepared air fryer basket.
- Air Fry the chicken at 400 degrees F for 15 minutes, then turn down the temperature to 370 degrees F for an additional 10-15 minutes, or until the internal temperature has reached 165 degrees Fahrenheit.
- Serve immediately with your favorite sides.

## Notes

Store leftover bacon-wrapped chicken breasts in an airtight container in the refrigerator for up to 3 days.

To reheat the chicken, allow it to sit at room temperature for 5 minutes, and then place into the preheated air fryer at 370 degrees F for 3-5 minutes, or until heated fully through.
