## Sliced Potatoes in Air Fryer (Potato Slices in Air Fryer)

This air fryer sliced potatoes recipe is easy and quick. You only need a few ingredients to achieve this. You will love this recipe because of how easy it is to customize and it is a healthier alternative. There's no need to parboil the potatoes before cooking.

These air fryer sliced fried potatoes are good on their own but even better with other side dishes. Here are some serving suggestions for air fryer potato slices – old bay chicken wings, vegetables, gravy, or hot sauce.

You can have these potatoes any time of the day; breakfast, lunch, or dinner.

## Ingredients

- Potatoes – you can use any potatoes you have.
- Oregano
- Garlic powder
- Onion powder
- Paprika
- Chilli flakes
- Oil – Use any oil of choice, vegetable oil, olive oil, or avocado oil.
- Salt

## How to Make Air Fryer Sliced Potatoes

1. Wash the potatoes and pat them dry with a kitchen towel. You can choose to leave the potatoes skin if you like. Then use a sharp knife or mandoline slicer to slice potatoes into equal sizes. Soak in cold water for 15-30 minutes (optional).
2. Pat dry with a paper towel and season well with oregano, garlic powder, onion powder, chili flakes, salt, paprika, and little oil. Mix to combine in a large bowl. Preheat the air fryer for 2 minutes at 200C/400F.
3. Pour the seasoned potato slices into the air fryer basket in a single layer and cook for 20 minutes at a temperature of 180C/360F. Shake the potatoes after 10 minutes and continue to air fry potato slices for another 10 minutes or until golden brown and crispy.
4. Bring out the potatoes from the air fryer, serve, and enjoy with your favorite dipping sauce!

## How to Store

Allow the air fried potato slices to cool completely, and put them in an airtight container or a freezer bag.

Fridge- store potatoes for up to 3 days.

Freezer- put leftover potatoes in the freezer for up to 3 months.

Reheat

You can reheat air fried potato slices in the air fryer, oven, or microwave.

In the air fryer: set the air fryer at a temperature of 160C/320F for 5 minutes or until hot.

Oven: transfer the potatoes to a baking tray and place them in the oven for 6 minutes at 180C/360F.
